SBA lanza un programa de apoyo a empresarios hispanos en California. *CAFWD.org, October 10, 2012* - - MARK MARTINEZ

"El sector empresarial hispano es absolutamente vital para la economía de California", dijo Mark Martínez, Presidente de la Cámara de Comercio Hispana de California. "Pero si limitamos sus oportunidades de crecimiento por no poder acceder al capital disponible, limitamos la oportunidad de hacer crecer la economía de California en general".

Get your democracy on. *Sacramento Bee, October 3, 2012* - - ALEXANDER GONZALEZ

Sacramento State is hosting a forum on the "Implications of Proposition 30 for California Public Education and the Capital Region," featuring leaders from the local business and education scenes. On the line-up: Sacramento State President Alexander Gonzalez, Five Star Bank President James Beckwith, UC Davis Chancellor Linda Katehi, New Faze Development CEO Allen W. Warren, business school dean Sanjay Varshney, Campaign for College Opportunity executive director Michele Siqueiros, and many others. PR mavens (and former political reporters) Kevin Riggs and Marcey Brightwell will serve as moderators. The event runs from 8:30 to noon at the Sac State Alumni Center on State University Drive South.

La salud mental. *Vida en el Valle, September 4, 2012* - - SERGIO AGUILAR-GAXIOLA

El mexicano Sergio Aguilar-Gaxiola se ha convertido en un firme defensor de los servicios de salud mental para los latinos y por encargo del Gobierno de California buscará la forma de distribuir de manera equitativa la ayuda para pacientes autistas.

Ávido lector desde niño e impulsado por el ejemplo de ética y trabajos de sus padres, Aguilar-Gaxiola terminó medicina en México y tras doctorarse en Estados Unidos, se ha convertido en un importante líder para la defensa de los servicios de salud mental para los hispanos en el país.

Mexican Consulate in Natomas offers free monthly health fairs. *Sacramento Bee, September 4, 2012*

Studiously following worldwide health trends, González Gutiérrez reads up on and cites studies by the Organization for Economic Co-operation and Development showing that, of all the Spanish-speaking countries, Mexico has the highest rate of obesity – about 30 percent of the population.

That figure becomes doubly alarming when you factor in the notion that Mexicans who come to the United States are in a foreign culture where an even greater rate of obesity exists – 33.8 percent of the U.S. population is obese, according to the OECD, notes González Gutiérrez.
